

Office of Science Chicago Office
Mission, Vision and Values

Mission Statement

The Office of Science - Chicago Office (SC-CH) is a critical element of the Office of Science (SC) program execution and implementation capability. SC-CH is the provider of essential business and technical support to assigned SC Site Offices, other Headquarters program sponsors and other federal agencies. SC-CH facilitates the delivery of remarkable discoveries, advancing technology and the understanding of energy and matter which perpetuates the well-being of the United States.

Vision

We are the catalyst and certified provider of best-in-class essential services, facilitating achievement of the Office of Science and the Department of Energy's mission.

Values

- We believe people are our most important resource and should be treated with fairness, respect, and dignity.
- We exist to serve our customer needs.
- We value our partners and stakeholders.
- We are committed to excellence and continual improvement.
- We recognize that leadership, empowerment, and accountability are essential.
- We manage by fact and focus on results to create value.
- We work as a team and advocate teamwork.
- We value safety and respect to environment.
- We value agility, creativity and innovation.
- We are good neighbors and model community citizens.
- We exemplify the highest standards of ethical behavior.
